FOR IMMEDIATE RELEASE

January 26, 2020, HONG KONG – As a precautionary measure in line with prevention efforts taking place across Hong Kong, we are temporarily closing Hong Kong Disneyland park from today out of consideration for the health and safety of our guests and cast members. The Hong Kong Disneyland Resort hotels will remain open. We are in close contact with health authorities and the government about the situation and will announce a reopening date once they determine it is advisable. In the interim, we will be providing refunds to guests who have booked tickets to the park or rooms at our resort hotels.

The Standard Day Ticket is valid for six months from the purchase date. If needed, Hong Kong Disneyland Resort will assist in the refund for guests who have purchased tickets for admission to Hong Kong Disneyland park or have booked a resort hotel.
