Enjoy a Snow-filled Celebration

The Very First Snowy Christmas at World of Frozen

Thanks to Elsa’s Ice Magic, snow is falling for the first time in World of Frozen as citizens of Arendelle get ready for their first Christmas celebration! The kingdom will shine brighter with sparkling Christmas decorations, snow-capped Christmas trees, and adorable snowgies. Arendelle royals dressed in their winter attire, while citizens set their work aside to prepare for their family celebration traditions, they are ready to introduce everyone to Arendelle’s Christmas traditions. Carolers of Arendelle will share local customs with guests and invite them to join in and help spread warmth and goodwill throughout the wintry kingdom.

Atop a sleigh brimming with traditional Christmas goodies, Olaf is transporting a yule bell to Arendelle Castle, so keep an eye out for him! Meanwhile, at the entrance of Frozen Ever After, Queen Anna and Elsa have crafted a beautiful music box showcasing their ice-skating memories on sculpted ice atop snowy scenes. Listen closely as the heartwarming melodies play before the clock tower chimes.

Elsa has also unleashed her Ice Magic for Queen Anna and everyone who visits Arendelle so they can enjoy through the brand-new Magic AR moments on the Hong Kong Disneyland mobile app. Uncover another layer of magic in the kingdom with enchanting Ice Magic at Friendship Fountain, the clock tower, and Arendelle Castle.

Snowy Experience Extends to Fantasyland

The sparkling holiday atmosphere extends to Fantasyland this year, which has transformed into a charming European village square! From the castle breezeway to Cinderella Carousel and all the surrounding buildings, as well as Fantasy Gardens, everywhere is adorned with bright new Christmas decorations. As the evening glow rises, a gentle snowfall will dust the land with magic.
