Hong Kong Disneyland Resort’s nighttime magic from June 18**

*The all-new spectacular will ignite guests’ nights and hearts with an awe-inspiring journey of  
life through a magical multimedia experience*

**HONG KONG, June 14, 2022** – Hong Kong Disneyland Resort lit up the night sky this evening with the memorable premiere of its highly-anticipated “**Momentous**” – **The Most Magical Show on Earth**. Through music and multi-sensory elements that envelop the Castle of Magical Dreams, guests at the premiere were taken on the most magical journey with beloved Disney and Pixar characters. The new nighttime spectacular is filled with inspiring and sentimental moments that bring the Castle of Magical Dreams to life once again, delighting guests and brightening their families’ night when it officially launches this Saturday, June 18\*.

At tonight’s ceremony, Mickey Mouse and Minnie Mouse were joined onstage by officiating guests Paul Chan, Financial Secretary of the Hong Kong SAR Government, and Michael Moriarty, managing director of Hong Kong Disneyland Resort.

“Hong Kong Disneyland Resort's brand-new nighttime spectacular will take the magic to a whole new level and bring the Castle of Magical Dreams to life. Our talented local and international cast members began working on this project back when our new castle didn't even exist five years ago! Add in the obstacles to travel during the pandemic, and it's been a stellar effort from the team overcoming different challenges. We're proud to unveil this much-anticipated new spectacular for the very first time and we're sure that our guests will be captivated, wanting to come again and again to watch the most magical show on earth.” said Michael Moriarty, managing director of Hong Kong Disneyland Resort.

“Despite the daunting challenges of COVID, Hong Kong Disneyland just keeps thinking bolder. And what can be bigger, more awe-inspiring, than ‘Momentous,’ a multimedia storytelling spectacular after five years in the dreaming and creating. After all, the power of Disney magic had attracted more than 88 million guests to Hong Kong Disneyland since its opening in 2005, a number sure to soar in the momentous months, and years, to come.” said Paul Chan, Financial Secretary of the Hong Kong SAR Government.

### Set sail on the journey of lifetime

To take guests on this momentous journey, the new show celebrates each stage of life through a series of six chapters, with projection images of approximately 150 characters from almost 40 Disney and Pixar stories. The show also illuminates the resort's night sky with a stunning combination of multimedia elements, some of which are being used for the first time ever at Hong Kong Disneyland. The technology includes large-scale projection mapping, water projections, theatrical lighting, lasers, choreographed water fountains,

flames, pyrotechnics, and firework effects.

Through “Momentous,” guests embark on the journey of a lifetime, from tender new beginnings and the playful joy of childhood to growing up, finding ourselves, falling in love, overcoming obstacles and reminiscing those who inspire us. It's a nighttime spectacular that is not-to-be-missed for those looking for an entertaining evening out in Hong Kong.

### Meet and connect with beloved characters

While enjoying all the characters, stories, and music in the spectacular, guests can also meet featured characters in person thanks to a brand new “Momentous” backdrop in The Annex! Beloved friends from iconic stories, such as Pixar's "Coco," "Inside Out," "Toy Story," "Up," and Disney classics like “The Lion King” and “Pinocchio” will appear.
